Attention PSA print makers

LeRoy Nielsen is soliciting prints for the Invitational Print Exhibit to be shown at this year's Inland Empire Chapter, PSA spring seminar. PSA members are asked to provide prints that represent their best work to show at this exhibit. Many members of the public will be present at this event and PSA would like these visitors to see what good photography is, and that it can be done by local folks. You are asked to provide 4 of your prints for this purpose. LeRoy will visit the local camera clubs at the several meetings just prior to the seminar to pick up prints from PSA members of those clubs. PSA chapter members who live out of the Spokane area, but plan to attend the seminar, could bring their prints with them on the day of the seminar, but should call Mr. Nielsen ahead of time with the number of prints they will be bringing. LeRoy's number is 509-326-3383, if you get the answering machine, leave messages with the number of prints.

Wedding photographer wanted

I am getting married in Spokane in May/June 2005 and wanted to try a different approach to my wedding photography. I was wondering if anyone in your organization would be interested in photographing my wedding. I am on a budget but am flexible with ideas and creativity. Please let me know if you know of anyone who would be interested and what their rates might be.

Any help would be appreciated. Contact Linda Fastenow, lindaf@kffxtv.com

Websites worth exploring

Ira Gardner recommends a couple of websites that photographers are sure to find interesting. The first is photoquotes.com. This site presents concise observations from many famous photographers. The zenandphotography.com site will have you looking at your ordinary surroundings in entirely new ways.

Camera for sale

Amanda has a beautiful camera for sale to the more serious photographer. It is a TOYO - View 45C Camera (large format). The exact same camera on the internet on ebay has a minimum starting price of \$2500, without as many accessories as Amanda has with this one. She is asking \$1200 for hers. She just doesn't use it. She likes her medium format and digital and 35 mm the most so never uses this one. What is included in this is: camera case (huge thing), 6 film holders, two bags for film holders, extra holder for a second lens, 155mm f/6.3 COP.0 lens, new focusing cloth, Good bellows, manual included, shutter release cable. Takes great photos. Samples can be provided at showing of camera. It is too much camera for what she wants to do. She can be emailed at fotogia@earthlink.net. She can be called on her cell phone at 509-499-2965. She works during the day, so leave her a night time phone number where you can be reached.
