## January matting workshop

The January workshop will be presented on Wednesday, January 28, 7:00 p.m. at Spokane Falls Community College's Photography Building. The program will be given by Kurt Kimberling and will cover the fundamentals of matting. This is a great chance to learn how to do your own professional-looking matting and save a lot of money when showing your work.

## Visual Arts Tour

Once again, we will be participating in the Spokane Visual Arts Tour, which will be held on Friday, February 6, 2004 in the downtown Riverpark Square. If you are interested in exhibiting your work, please bring your submissions to the next meeting or submit them to Ira Gardner by January 28th.

## February hand colored entries

Monochrome print makers can earn extra points by submitting hand-colored prints in February. The prints may be conventional or digital but the color must be applied by hand using oils, watercolors, etc. Pictures colored in a computer will not qualify.

## 4Cs results for January 2004

The Spokane Camera Club remains in first place in group I after the January competition. We now lead the second place club by 8 points.

Ribbon winners for the January competition were as follows: **Ruth Slichter**, Award of Merit, for *Cascade of Light*; **Donna Larsen**, Honorable Mention, for *Pussy Willows*.

There are 4 months of competition remaining. If you have a great slide hanging around, get it to Steve to be considered for the next judging.

## Volunteers needed for Fair

LeRoy and Vicki Nielsen are soliciting helpers for this year's fair. We need folks to staff the exhibit itself during the run of the fair, we need slide makers who are willing to present slide shows, and we will need folks to help with the judging of the prints and slides and to set up & take down the exhibit. The fair is open for 12 hours but we have divided the day into 2 shifts of 6 hours. We would like to have 2 members for each of the 6 hour daily shifts at the fair, to allow for breaks. The presenter of the slide shows would do their show 3 times during the day they volunteer for. The slide shows are at 2, 4, and 7 pm. For slide makers, this is a good opportunity to show your work to many folks.

The camera club sponsors the photo competition at the fair and the helpers make that possible. The folks that volunteer for duty & slide shows during the fair will get a free pass into the fair, and can visit the fair activities before or after their tour at the exhibit. We will circulate the sign up sheets for these events at the next few meetings and hope that members can assist with these necessary tasks. It is obviously a long time before the fair, but the more advance notice provided, the better to fit these tasks into busy schedules.

Please consider what you can do. Thank you.

## Two Camera Club proposals

Two proposals have recently come up at our Camera Club meeting. They will be discussed and considered at our February general meeting.

1. It has been proposed that the Camera Club board of directors would have their board meeting starting at 6:00PM on the first Wednesday of the month. Only the board members and club officers would attend this meeting. The board would discuss any issues that come up, and vote on those issues. The Judging would start at 7:00PM, and all members would be in attendance.
2. It has also been proposed that on the first Wednesday of the month, Judging night, that members who did not want to watch the judging would meet in a separate area to discuss some photo related topic. The Judging would be conducted in the same manner as always, and any one who wants to watch may do so. Some questions to consider for discussion are as follows:

What time would the slide and print committees list the slides and prints?

Where would they list the slides and prints?

Where would the members who did not want to watch the judging meet?

Would we have to rent another room from the Corbin Center?

Who would conduct these separate meetings?

Who would decide what topics to be discussed?
